Second Grade Supply List 2017-2018

It is extremely helpful if you can bring the community supplies to school at the back to school picnic and place them in the boxes labeled with the supply type. This gives us time to get everything organized before the first day of school. You can bring the personal supplies as well but make sure the bag is labeled with your child's name with the personal supplies inside. Feel free to reuse folders etc. from last year- just relabel with the correct subject. Thanks!
