

## SUGGESTED SUPPLY LIST— 5th and 6th Grade

2020-2021

Well, our adventure is about to begin! These supply lists are recommendations, but please feel free to use your own judgement. As we progress through the virtual learning environment, things may come up that we have not anticipated. Supplies that were pre-ordered will be available for pick up the week of 8/31. You can come to the school any day that week between the hours of 8 and 3:30. Social distancing protocols will be followed and masks must be worn.

### - COMMUNITY RULES -

#### For when we return to the building

*The lockers on the third floor are very narrow. **Really big backpacks like the ones with wheels don't fit.** The students don't have huge textbooks, so a smaller backpack will work well. There may be sales going on, so even if you don't use a back back extensively this year, it may be worth getting one for next year.*

Each locker will have a lock for which students are responsible. Students are required to use their assigned locks all year. Lockers are not to be left unlocked. If the lock is lost, it must be replaced at the student's expense.

There will not be any decorations on the outside of the lockers. Students will be allowed to celebrate birthdays in other ways, but the outside of all the lockers must be clear. They can decorate the inside of their own locker, but they are only allowed to use magnets or blue painters tape.

Birthday celebrations are going to be more important than ever. Please let us know if you have any ideas of how we can celebrate virtually.

### PERSONAL SUPPLIES

**Electronics:** During our online meetings, students will be required to have access to audio and video. If you need a chromebook, the school will provide one. It is highly recommended that you use a chromebook instead of a tablet.

#### **Textbooks:**

1 literacy workbook

1 social studies workbook

Several math chapter workbooks

Science: Currently we only have classroom sets, so we are figuring out how to address this virtually.

#### Literacy/Writing/Social Studies

1 1.5 inch binder with loose leaf paper inside

1 set of 5 tab dividers

#### Mathematics

1 1.5 inch binder with loose leaf paper inside

1 set of 5 tab dividers

1 pack of loose graph paper

Calculator

#### Science

1 composition book

1 folder

#### **Supplies that will be useful for all classes:**

Pencil sharpener

\*Optional: 1 Binder Pencil Pouch
