

SUGGESTED SUPPLY LIST— 6th Grade

2017-2018

It is extremely helpful if you can bring the community school supplies to school at the back to school picnic and place them in the boxes labeled with the supply type. This gives us time to get everything organized before the first day of school. Thanks!

PERSONAL SUPPLIES

*These are the general supplies that your student will need in class most days. They don't need to be labeled as the students will be managing their personal materials. Also please note, the lockers on the third floor are very narrow. **Really big backpacks like the ones with wheels don't fit.** They don't have a lot of huge textbooks, so a smaller backpack will work well.*
