

Curriculum Connection

a guide to connect
parents/guardians to
sexual health education

The Curriculum Connection provides factual information and resources for parents and guardians about the CPS Sexual Health Education Curriculum. Help them make an informed decision about their child(ren)'s sexual health education by letting them know which lessons will be taught so they can review them.

CURRICULUM CONNECTION FEATURES

For each grade level:

- » An Overview
- » Educational Standards
- » Goals and Key Content
- » Knowledge Test
- » Vocabulary
- » Anatomical Diagrams
- » Conversation Starters
- » Resources

IT'S TIME

Find the Curriculum Connection in your Google Drive or contact SexualHealthEd@cps.edu

Parents want to see what their children will learn at the beginning of the school year and/or at least two weeks before lessons begin. Below are some examples of how to share the Curriculum Connection. Be sure to include the contact information for your trained sexual health educators to answer questions.

Parent-Teacher Conferences
LSC meetings
Other parent-attended school events

Report card pick-up days
Keep a copy in the office for parents to view

School website
