

**Skinner North Classical School**

*Registration opens Monday, December 3<sup>rd</sup>, 2018 at [jccchicago.org/jatschool](http://jccchicago.org/jatschool)*

**Drawing Fun by Young Rembrandts**

*Monday | Grades K-5<sup>th</sup> | \$130*

Make this a memorable winter by signing up your elementary child in a Young Rembrandts drawing class. Your child will learn about basic design and composition as they draw the Fish Below Ice and Great Wall of China. If your child is fond of sports, they will enjoy drawing our illustration featuring a Hockey Player. Besides strengthening your child's drawing and coloring skills, he or she will also learn about art history as we present lessons featuring master artists Leonardo Da Vinci and Franz Marc. Enroll your child today! We will provide all supplies!

**Korean Drumming by Global Pungmul Institute**

*Monday | Grades 5<sup>th</sup>- 8<sup>th</sup> | \$200*

Students will learn a Korean drum called Janggu (hourglass-shaped drum) with a collection of exciting and fun rhythms. In addition to musical rhythms, the class will address some educational aspects of the history and philosophy of Korean drumming, which helps students develop a multi-cultural understanding. There will be a recital by students at the last session. The tuition includes the instrument rental. It will be unique and cool experience!

**Year Long Drama Presents: Annie**

*Monday | Grades K-8<sup>th</sup> | 4:00- 5:30 | \$125/month  
(runs January 14<sup>th</sup>-June 10<sup>th</sup>)*

Your child will participate in rehearsals for approximately 70 hours throughout the year learning all aspects of live theatre. Dance training and choreography, vocal training, acting techniques, camaraderie, self-esteem building, public speaking and so much more will be taught by our trained staff of local actors and performers. The end result? A FULL-BLOWN AMAZING MUSICAL! All who enroll are in the show!

**Coding and Game Design by Kids' STEM Studio**

*Monday | Grades 1<sup>st</sup> - 4<sup>th</sup> | \$200*

In this course students learn to code using Tynker's own visual programming language, featuring visual drag-n-drop logic blocks that eliminate the need to understand programming syntax. Young learners learn to program their own games and apps using extensive media gallery and physics engine.

**Intro to Violin with Henry Zheng by Chicago SMA**

*Monday | Grades K - 8<sup>th</sup> | \$93/month (yearlong class)*

The Suzuki philosophy emphasizes learning by ear in a group environment and advocates collaboration and mutual encouragement for those of every ability and level. Students will learn basic violin posture and songs. A graduate of DePaul University, Mr. Henry has performed with the South Dakota Symphony Orchestra, Illinois Symphony Orchestra, Quad Cities Symphony Orchestra, Wisconsin Chamber Orchestra, and the Southwest Michigan Symphony Orchestra.

As a teacher Henry encourages his students to give the highest level of excellence possible, while maintaining a fun and positive learning environment. Visit [www.ChicagoSMA.com](http://www.ChicagoSMA.com) to complete your registration. Please note that classes only run on dates that school is in session.

**Chess by Chess Scholars**

*Tuesday | Grades K - 8<sup>th</sup> | \$163*

Be a part of Chess Scholars this winter! Each class will consist of a fun, interactive teaching period and guided practice time. Both beginner and experienced participants are welcome and will get to the next level under the guidance of an experienced Chess Scholars coach. There will also be a chess competition with prizes and a party at the end of the session! Each child will receive a participation award and a chess keychain!

**Youth Boxing & Fitness by POW! Kids**

*Tuesday | Grades 2<sup>nd</sup> - 5<sup>th</sup> | \$200*

The POW! Kids Boxing Fitness Program offers a non-contact, entry-level boxing and fitness program for children. Kids will enjoy learning about the sport of boxing and partaking in the traditional conditioning. Classes will include jump rope, push-ups, squats, foot work drills and fun fitness games. We are dedicated to building confidence and an athletic foundation for a healthy future. POW! will provide gloves, mitts, ropes and additional equipment. Students receive one gear bag per school year.

### **Descendants by Emerald City**

*Tuesday | Grades K – 2<sup>nd</sup> | \$163*

Fairy tales don't end at happily ever after.

When kids of infamous fairy tale villains are offered the chance to live in the United States of Auradon, they leap at the chance. But are their motives good or evil? Students will explore complex characters from this smash hit, along with vocal techniques, acting exercises, and theater vocabulary, to create a final show that examines the choices we all have between good and evil.

### **Tumbling by My Gym**

*Tuesday | Grades K - 4<sup>th</sup> | \$188*

Our My Gym Tumblers will “tumble” into fun this session, all while learning basic tumbling and gymnastics skills, movement and dance routines, sports, and more! Our goal for our Tumblers is to increase flexibility, strength, and knowledge of gymnastics, all while having a great time!

### **The Science of Superheroes by The Laboratory**

*Tuesday | Grades K – 2<sup>nd</sup> | \$225*

Welcome to the "Science of Superheroes Training Academy" with The Laboratory! First order of business? Find your superhero name, uncover your secret identity, and get ready to save the world. In this program you will: test out your superpowers to control a force of nature, discover the secrets of invisibility, create a flying superhero, challenge your arch-nemesis, design your signature immobilizing gunk, create a comic book to share your superhero adventures with the world, and more!

### **Basketball by 3 Point Athletics**

*Wednesday | Grades K - 4<sup>th</sup> | \$150*

Come out and play as we have fun learning the fundamentals of the game with unique drills, games, & contests that will keep you active after school. 3Point Athletics' team of engaging and knowledgeable coaches will blend the perfect amount of skill instruction with organized games & fun activities to create a class that is productive, positive, & fun!

### **Kids Need Yoga**

*Wednesday | Grades K - 5<sup>th</sup> | \$175*

Students will practice yoga-based movement, engage in creative play, and mindful connection activities during each session. Classes focus on building self-confidence, strength and concentration while students learn the basic yoga principles of respect to self and others. Breathing exercises, creative imagery, meditation and relaxation are introduced to give your child these important skills to carry with them into their busy school and social lives.

### **Snaptastic Lego Fun by Snapology**

*Wednesday | Grades K - 5<sup>th</sup> | \$150*

Snapology's themed programs promote creative play, teamwork, and social skills. Students are engaged in a variety of theme-focused activities while learning basic S.T.E.A.M. principles and putting purpose to their building through blueprinting. Themes will vary week to week and may include timeless and current popular interests such as LEGO® City, Star Wars®, Minecraft®, Ninjago®, as well as broader concepts like underwater habitats or futuristic societies. Learning is a \*SNAP\* with Snapology! But shhh... don't tell them it's educational.

### **Martial Arts by Impact Dojo**

*Wednesday | Grades K - 5<sup>th</sup> | \$200*

Children will be engaged in a high energy and fun environment in which they will be taught the basic principles and history of Martial Arts. They will learn the basics of self-defense and the appropriate time to use it. In addition, they will be taught Stranger Danger Awareness. This will help them assess friend from foe and how to act accordingly. Most importantly they will gain confidence, learn discipline, and be taught how to respect themselves, their peers, and their elders. Please note that there is an additional \$40 fee for the martial arts uniform, which is not required but is highly encouraged, as your child will earn belts as s/he develops new skills.

### **Happy Hands by Unicoi Arts**

*Thursday | Grades K – 3<sup>rd</sup> | \$225*

Your child will explore a wide variety of subjects from rockets and robots to famous artists by learning to paint, draw, collage and sculpt. Tactile materials like clay, wax strings, oil pastels and acrylic paints will help your child enjoy learning the basic principles of art and invite them to think creatively. New projects every session!

### **Hands-On Engineering by Kids' STEM Studio**

*Thursday | Grades K – 3<sup>rd</sup> | \$225*

Students learn engineering with hands-on tinkering to understand and apply the design and engineering concepts as they create innovative solutions to challenges. Students design and build their own electrical gadgets, simple machines and mechanisms, bridges, rockets, boats and more, learning various Engineering disciplines. Students also get to take their creations home.

### **Bollywood Groove**

*Thursday | Grades K - 5<sup>th</sup> | \$200*

Bollywood Groove is an active movement class for boys and girls that uses dance as an interactive vehicle in a globalized educational environment where students learn about the rich Indian culture while simultaneously growing into strong, confident dancers with movement fundamentals. Each session includes a dance routine, a culture Zoom (a cultural concept taught via our picture storybooks), and a mini-recital. The tuition includes the mini-recital costume rental, craft supplies, picture story book, and practice video of dance.

### **Floor Hockey by 3 Point Athletics**

*Thursday | Grades K - 4<sup>th</sup> | \$150*

Shoot & Score with 3Point's after school floor hockey program. Each class will include skill development, friendly games & competitions, and plenty of team games/scrimmages. Perfect for players of all skill level and abilities, 3Point's commitment to the well-being of each participant ensures that everyone will have a PRODUCTIVE, POSITIVE & FUN enrichment experience!

### **Intro to Piano/Keyboard with Angelo Hart**

*Thursday | Grades K – 6<sup>th</sup> | \$300*

Start your musical journey with basic keyboard fundamentals, techniques, and musicianship skills. Students will learn music notation, rhythmic patterns, chordal identification, major and minor scales, and beginning songs. Taught by Angelo Hart who has a degree in jazz studies from Chicago College of Performing Arts. Optional starter kit of musician's supplies available online.

### **Super Soccer Stars**

*Friday | Grades 1<sup>st</sup> - 4<sup>th</sup> | \$195*

At Super Soccer Stars, dynamic coaches work with every student to develop skills, self-esteem, and teamwork in a fun, non-competitive environment. Super Soccer Stars training sessions allow for freedom of expression with the ball. This vital concept is emphasized with the introduction of 1v1 dribbling and defending games. Games increase in player numbers as proficiency is attained. Mastery of ball control helps a player successfully manage the 1v1 element of the soccer game. The addition of opponents allows the player to make decisions under pressure. High repetition ball control activities help each player become more proficient with the ball.

### **Kids' Improv by Knuckleball Comedy**

*Friday | Grades 1<sup>st</sup> - 4<sup>th</sup> | \$158*

Do your children enjoy constant laughter? With direction and coaching from an experienced comedian from Knuckleball Comedy Improv, students will learn the basics of improvisation and performance. Along the way, kids will gain not only valuable tools for everyday life, but they will also enjoy plenty of laughs and new friendships along the way.

### **Harry Potter's Wizards by Broadway Break Thru**

*Friday | Grades K - 5<sup>th</sup> | \$170*

You are invited to the Wizardly World of Harry Potter. Enjoy Hogwarts' activities like House Sorting, Quidditch, Wand Making & Dueling, Potions, Astronomy and experience the full range of Hogwarts' magic. Learn how these subjects truly connect to our Muggle world! Join us to explore the amazing world of Harry, Ron, Hermione and of course... You Know Who.

jccchicago

### **Amazing Minds**

*Friday | Grades K -2<sup>nd</sup> | \$170*

Calling all K-2nd graders! Come and exercise your brain with us after school! Go on an incredible journey with Amazing Minds and sharpen your skills in math, science, geography, language arts and reading through fun, hands-on thematic based activities. Grab your teacher's hand and travel to China, Ancient Egypt, Italy, Washington DC or Australia to name just a few. Science will come alive through our exploration of rocks and minerals, flight, weather, health and safety, and computers. Explore math learning about money, geometry and shapes. Go to the head of the class in reading because of our hands-on reading games involving the animal kingdom, ocean creatures and even the Preamble to the Constitution!

**J at School Enrichment Classes**  
**Winter Session: 1/14/19 – 3/22/19**

Build rock collections, excavate Ancient Egyptian tombs, or shop in a simulated grocery store. Dissect owl pellets, wear prism glasses, and make raisins bounce! Top it all off with exciting topic related take home prizes such as an Australian boomerang or a shark's tooth!

### **Science Inside and Out by Mad Science**

*Friday | Grades K -2<sup>nd</sup> | \$205*

Join Mad Science for a variety of fun science activities! Different topics will be covered every week. Become a test pilot as you experiment with paper airplane designs, explore the construction of Super Structures as you discover what makes buildings strong, learn the scientific secrets behind some of your favorite magic tricks, and much, much more!
