

MATH CIRCLES OF CHICAGO

What is a Math Circle?

A Math Circle is a group of people who get together to do fun, unusual math problems outside of regular school. MC2 holds math circles are *free*!

Why join a Math Circle?

Think about math in a new way! Build your confidence. Meet great teachers. Have fun doing math by investigating and exploring. Deepen your love of math!

Who can join a Math Circle of Chicago?

Any student in grades 5-12; we have different classes grouped by grade and academic level.

Where and when do the Math Circles of Chicago meet?

Math Circles meet at six locations around Chicago. Each program typically meets twice a month during the school year. Our winter session starts in January. See our website's Locations Page for winter meeting dates:

- **Bridgeport at Benton House: Grades 5-8, Tuesdays, 5:15-6:30PM**
- **Lane Tech High School: Grades 5-8, Tuesdays, 5:00-6:15PM**
- **Little Village Lawndale High School: Grades 5-8, 4:30-5:30PM **NEW!****
- **Payton High School: Grades 5-12, Saturdays, 1:00-3:00PM**
- **Pilsen at Mujeres Latinas en Acción Youth Center, Grades 6-12, Mondays, 4:30-6:00PM for 6th to 8th, 5:00-6:30PM, 9th to 12th**
- **University of Chicago, Ryerson Hall, Grades 5-12, Saturdays, 1PM-3PM**

How do I sign up?

Winter registration open November 28th. The priority deadline is December 8th, 2017. (Afterwards, enrollment will remain open on a first come, first serve basis). Go to the Registration page www.mathcirclesofchicago.org and make an account. Then log in to your account and choose the location and session that fits your grade level.

Does it cost money?

Absolutely not. We are a 501(c)(3) organization, so any donation you want to make is tax-deductible, but we do NOT charge students to participate.
