Neighborhood Scavenger Hunts

We are one community with our members coming from all over Chicago. Each of us has a unique perspective and our neighborhoods all have rich histories and amazing features. Let's explore by doing a scavenger hunt and learn about each other's neighborhoods by sharing what we find.

Directions:

- Go for a walk (remember to bring an adult with you especially for our younger students).
- Draw or take a picture of the items you find on the list. Find at least 10. (If unable to go on a walk, feel free to explore your neighborhood virtually.)
- We'll talk about our neighborhoods at our buddy classroom day on Tuesday, Nov. 10.
- Complete this form (<https://forms.gle/1XsJ3MuugS5bYuuc6>) and if possible upload at least one image to be entered by Friday, Nov. 13. (Please note: images may be shared with our community. Do not upload anything you do not wish to have shared.)
- Those who complete a form will be entered into a raffle for a prize.
