### **Martial Arts by Impact Dojo**

*Wednesday | Grades K - 5<sup>th</sup> | \$180*

Children will be engaged in a high energy and fun environment in which they will be taught the basic principles and history of Martial Arts. They will learn the basics of self-defense and the appropriate time to use it. In addition, they will be taught Stranger Danger Awareness. This will help them assess friend from foe and how to act accordingly. Most importantly they will gain confidence, learn discipline, and be taught how to respect themselves, their peers, and their elders. Please note that there is an additional \$40 fee for the martial arts uniform, which is not required but is highly

encouraged, as your child will earn belts as s/he develops new skills.

### **LEGO Superheroes and the Science of Superpowers by Snapology**

*Wednesday | Grades K - 5<sup>th</sup> | \$158*

Snapology Superheroes and the Science of Superpowers Snapology will transport children into the world of science, superheroes, and evil masterminds by exploring what it takes to be one of The Avengers or a member of The Justice League, Children will use LEGO® bricks to create their very own superhero and build new vehicles that even Batman would be proud of! Comic books and comic book movies bring together great stories with interesting characters. Participants in Snapology's Superheroes and the science of superpowers will get to create both. They will conceptualize and build their own superhero and give him/her special superpowers. They will also get to give their superhero a life of its own by developing and telling a story around their character while learning about forces, energy, and problem-solving. Shhh... don't tell them it's educational!

**Super Soccer Stars\***

*Friday | Grades 1<sup>st</sup> - 4<sup>th</sup> | \$195*

At Super Soccer Stars, dynamic coaches work with every student to develop skills, self-esteem, and teamwork in a fun, non-competitive environment. Super Soccer Stars training sessions allow for freedom of expression with the ball. This vital concept is emphasized with the introduction of 1v1 dribbling and defending games. Games increase in player numbers as proficiency is attained. Mastery of ball control helps a player successfully manage the 1v1 element of the soccer game. The addition of opponents allows the player to make decisions under pressure. High repetition ball control activities help each player become more proficient with the ball.

**Kids' Improv by Knuckleball Comedy\***

*Friday | Grades 1<sup>st</sup> - 4<sup>th</sup> | \$158*

Do your children enjoy constant laughter? With direction and coaching from an experienced comedian from Knuckleball Comedy Improv, students will learn the basics of improvisation and performance. Along the way, kids will gain not only valuable tools for everyday life, but they will also enjoy plenty of laughs and new friendships along the way.

**Star Wars by Broadway Break Thru\***

*Friday | Grades K - 5<sup>th</sup> | \$TBD*

Yoda, R2D2, C3PO - Does your child love them all? If your child loves Star Wars, they will love our Star Wars themed classes, with trivia, Jedi exercises and tests, and costumes (not required). These are the coolest classes in the galaxy!

*\*Please note that all Friday enrichment classes will begin on 4/12 due to CPS being closed on 4/5.*
