Due to uncertainty this year and economic impact of COVID-19 on our families, we want to ensure that families know student fees are entirely optional.

You can pay by cash in the main office or you can also make an online payment at <https://magic.collectorsolutions.com/magic-ui/Login/cps-22591-skinner-north>.

\*Parents may also elect to pay for field trips as they occur instead of in September. Typically, we suggest you pay in September, as that will allow teachers to reserve locations and transportation ahead of time. As this year is a little uncertain, you may want to wait to pay as we go.

\*Waivers are available if needed. You can find a copy at <http://www.skinnernorth.org/uploads/4/1/0/1/41014239/studentfeewaiverform.pdf> or ask in the main office.
